**REEDS LANE PLAY AREA.....**

We would like to add to the play equipment in the recreation ground at Reeds Lane and would very much like to hear your views.

At the moment we have some toddlers play equipment and an outdoor gym for adults. These were put in place quite recently and we are not intending to change these items.

There is a limited budget for this, so we might be restricted to 3 or 4 pieces of equipment.

- What age-group should we be providing for?
- What sort of equipment should we provide?
- Small kickabout area: Should we convert the small fenced area into a kickabout court?

*Please put your thoughts in our postbox
